

# The CHARLOTTE MUSEUM of HISTORY

WHERE HISTORY HAS A HOME

The following is the first page of "An Act for Establishing a Town in Mecklenburg County." This document and image are courtesy of the State Archives of North Carolina. Did you know you can find hundreds of documents, pictures, letters, and more thanks to the digitization efforts undertaken by the State Archives and our own Department of Natural and Cultural Resources. Check out [ncdcr.gov](http://ncdcr.gov) to start exploring!
