WHERE HISTORY HAS A HOME

## **The Struggle for Freedom:**

Today we often take freedom for granted, but throughout history for so many people freedom was illusive and the quest for basic rights a constant battle. So many people resisted, persisted, and struggled to make freedom a reality for everyone regardless of the color of their skin, their gender, or where they were born. Celebrate their accomplishments by creating your own "Freedom Timeline." We've included a few dates to get you started, but there are so many more to find.
